WELCOME TO EGYPT

Egypt is the land of '**Pharaoh**' who ruled Egypt around 2700 years- from 3000 BC to 343 BC till Alexander the Great Conquered Egypt. A rich civilization prospered on the banks of river Nile which was 2700 to 5000 years old. The most important part of it is that, today we have written history about chronological names of all Pharaoh, the great building work done by them, battles fought by them, the advance knowledge of medicine, surgery, astrology, architecture etc. they were having. The archaeologist has found written daily reports of supervisors about workers who have done excavation, plastering, painting work in Valley of Kings at Luxor which is 3200 years old.

And how Pharaoh Live.....just imagine... when Tomb of **Pharaoh Tutankhamen** who ruled only 9 years and died mysteriously at the age of 24.....was discovered by Howard Cater in 1920,-- he found 150 Kg gold ornaments of different types, plus more than 3000 articles used by him including chariots, beds, chairs, clothes, crowns even games played by him. You can see this in at mind blowing section of Tutankhamen in Egyptian Museum Cairo.

Egyptian were having skilled doctors whose **mummification** work have been acclaimed all over the world by Scientist. There are mummies of great Pharaohs like Ramasis II which are in good conditions after 3000 – 4000 years. It is found in inscriptions on Kom Ombe temples Egyptian Doctors were known scientific procedures of different surgeries that too in 2000 BC. The different instruments used for surgeries are found in these inscriptions.

Ancient Egyptian were great Builders. The great **Pyramid** built by Pharaoh Cheops is of 137 meters high (Approx. 35 storey building). It consists of more than 2 lakhs of stone bricks each is of minimum weight or 12 tonnes and each block is not less than 30 ft. long. The majestic **Karnak Temple** is having a hypostyle hall of 102 meters long and 53 meters wide having 134 columns of 12 meters height (3 storey building) the width of each column is such that 20 persons can stand on one column. This gigantic work was done 4000 years back where there were only primitive tools.

The modern Egyptian Engineering has also done marvelous building work with the help of International Companies. First they have built a huge **Aswan Dam** on river Nile which has backwater stretching up to 500 km. 70% of Irrigation and 60% Electrification Of Egypt is done by this single Dam. They have done miracles of relocating 3500 years old Abu Simbel and Phaila Temple which were drowned under Aswan Dam backwaters.

Your 5 days **Five Star Nile Cruise** is a lifetime experience. An experience filled with few sightseeing and more relaxation,-- viewing rural Egypt from Top Deck of Cruise, enjoying mouth watering

Corp. Office (1) :103, Parvati vandan Apartment, Sahakar nagar No. 2,
