## Bali – 5 Days tour

- **Ubud** - Ubud is the cultural and artistic center, which is why it's considered an essential place to visit in Bali. It's undoubtedly one of the best areas to stay in Bali because it's in the center, so most of the Bali day trips depart from here.
- **Kuta** - In Kuta and Legian, you can find some of the best cheap accommodation in Bali perfect for groups, since most of the island's clubs are located here.

However, there aren't just nightclubs in Kuta and Legian, so, in addition to many young people, families and couples choose this area to stay in Bali because they prefer to be close to the beach, shopping centers, restaurants, etc.

- **Seminyak** - Seminyak is a residential area southwest of Bali known for its beaches, nightlife, and good atmosphere. Among its attractions is the La Plancha bar, which has a chill-out area on the beach with very brightly colored umbrellas; this area is especially recommended for watching the sunset.
- **Nusa Dua** - Very close to Uluwatu is Nusa Dua, a place where it's essential to stay in Bali if you are a lover of luxury tourism.

Located on the south of the island, Nusa Dua has gained popularity since the 70s. Today it's the area where you'll find the most luxurious hotels in Bali.

It is known for its 5-star resorts, and some of the most romantic hotels in Bali are also located here. If you want to spend a single night in one of the luxury resorts in Bali, I recommend you do it in one of the resorts we found in this area of the island.
