Houseboat stay tips – Houseboat stay tips – Houseboat stay tips – Houseboat tips - Houseboat stay tips –

You can stay in a houseboat at Alleppey or at Kumarkom, Both the locations are around 20 Km from each other, The destination Kumarkom is known as amore scenic beauty than Alleppey.

Mostly we prefer as separate (Dedicated) houseboat for you, like one-bedroom houseboat for 1 couple/ family, two-bedroom houseboat for 4 adults travelling together . . . (We never ask to sharing the houseboat with other unknown tourist, like some online portals do that)

Cruising/ Sailing = Normally all boat is cruising / sailing in the lake for twice, one is for breakfast time and another is on sunset time and totally for 5 hours in a day. The boat are anchored for rest of the time on the bank of backwater or nearby the respective hotel.

A houseboat has 3 areas, bedroom, Kitchen and Dining and seat out area. Mainly the Bedrooms Are Ac and other part will be non ac; Normally they use or run the air condition while night time. But We can book full time AC and fully glass covered boat with additional cost for your leisure.

We strongly advice to carry the mosquitos -repellent creams along with you, as the lake water is stand still water and many time our tourist face the mosquito's problem while they are out of the bedroom. In this perception the boat at the Kumarkom area are much comfortable than Alleppey area.
